

## Congratulations to our Male Athlete of the Year

Placing 2<sup>nd</sup> at the National Wakeboard Championship was the culmination of a year spent dedicated to training and improvement. Cody Wahl has spent immense time training in Florida and Carolina, advancing his skills and honing his performance.

Provincially, Cody placed first at two Wake Tour stops, and 2nd at the Provincial Championship. He competed at the World Wakeboard competition in Toronto this year, his first time competing at world championship level.

Cody has high ambitions, with plans on being a full time Pro rider. He has chosen home-schooling, in order to spend the winter training in the south. His plans for 2017 are to enter as many competitions as possible, gain experience, and make finals at the World Wakeboard competition.

Congratulations Cody!
