

Water Ski & Wakeboard Alberta Virtual Competition Video & Submission Rules For Wakesurf and Wakeboard Competitions

Water Ski & Wakeboard Alberta (WWSA) has created a Virtual Wake Tour for wakeboarders and wakesurfers. This is a **new virtual wake event format** to benefit surfers and riders of all levels.

All you competitive and rec riders and surfers, do you want to be judged and scored on your wake runs from your home lake? It is easy !

Stay connected – virtually – with all your lake buddies.

We are looking for new members to join us and compete! Have you never done an event or competition before? Well, now is your chance to send in your videos and see how you compare to others in Alberta. You may surprise yourself! Then when we are able, we hope to see you at our WSWA Wake Tour when we can all get together again!

HOW THE VIRTUAL COMPETITIONS WORK:

WSWA Event Dates: (scores will also go on the WSWA Ranking List)

- We have set up 3 events dates for the season.
- Now you can submit your video with the dates outlined below.
- We are encouraging riders and surfers from many/all lakes around Alberta to compete during these event dates and upload videos to see who the King/Queen of the Virtual tournaments will be.
- We will charge each skier \$5 to participate in each event. Super cheap!
- The event dates will be set up on www.wswa.ca

EVENT DATES:

NAME	Video submission Cut-Off	Compete between
Stop #1	July 6	Now to July 6
Stop #2	July 27	July 7 to July 27
Stop #3	August 17	July 28 to August 17

You will have until **Video Submission Cut Off** date for each Event to upload a video of your wake run

HOW TO VIDEO:

- Video the rider/surfer before he/she gets in the water. Hold a display sign that shows Name, Division, Current Date and the Tour #
- All riders & surfers must wear a PDF
- For Wakesurf only - Video must show the surfer throwing the handle
- WAKESURF: Competitors will do a 1 MINUTE TIMED Run for their video submission
- WAKEBOARD: Competitors will do a Max 6 trick Run for their video submission
- Landscape mode on a smartphone will produce a higher quality video.

WHAT TO VIDEO:

- The camera must record the whole run without pausing the video ... one fluid video no editing or stopping!

UPLOAD VIDEOS

Make sure you Name your Video so we know what it is for:

Eg. Johnsmith_tournament#1_date, or johnsmith_rankinglist_currentdate

WSWA Ranking List:

- Note: The 3 Tournament Dates, will have a separate Dropbox to Upload Videos to.
- **Video Submission for Tournaments:**
