

Water Ski Team Committee:

Are you passionate about competitive water skiing and dedicated to supporting athletes in achieving their highest potential? Join our Water Ski Team Committee and play a crucial role in nurturing and developing athletes who represent Water Ski and Wake Alberta (WSWA) at regional, national, and international levels. Whether you're a former competitor, coach, or enthusiastic supporter of water sports, your expertise and commitment can help shape the future of competitive water skiing across Alberta.

Why Join?

- **Athlete Development:** Support the growth and advancement of competitive water skiing athletes through specialized training programs, coaching support, and skill enhancement initiatives.
- **Team Representation:** Help select and prepare talented athletes to compete in regional, national, and international competitions, proudly representing WSWA with dedication and sportsmanship.
- **Community Impact:** Inspire and engage the water skiing community by promoting teamwork, camaraderie, and the pursuit of excellence among athletes of all ages and skill levels.

Roles and Responsibilities:

- **Talent Identification:** Scout and recruit promising water skiing athletes from local clubs, competitions, and talent identification programs to join the WSWA Water Ski Team and participate in training and development camps.
- **Training and Coaching:** Collaborate with experienced coaches and trainers to design personalized training plans, skill development sessions, and competition strategies tailored to the needs of water skiing athletes.
- **Competition Support:** Provide logistical support, coaching guidance, and motivational leadership to athletes during competitions, ensuring they have the resources and confidence to excel in their events.
- **Team Unity and Spirit:** Foster a supportive team environment where athletes feel valued, motivated, and empowered to achieve their full potential both on and off the water.

Commitment:

- **Meetings and Planning:** Attend regular committee meetings to discuss athlete development strategies, review performance goals, and coordinate training schedules and competition calendars.
- **Event Participation:** Volunteer your time and expertise during team events, competitions, and training camps to provide hands-on support and mentorship to water skiing athletes, contributing to their growth and success.

- **Community Engagement:** Promote the achievements and successes of the WSWA Water Ski Team through social media, press releases, and community outreach efforts, celebrating their accomplishments and inspiring future generations of athletes.

Join Us: If you're passionate about supporting competitive excellence, nurturing talent, and promoting the values of sportsmanship and dedication within the water skiing community in Alberta, we invite you to join our Water Ski Team Committee. Together, we can cultivate a culture of success, unity, and pride among water skiing athletes representing WSWA at every level of competition.
