

Water Ski Events Committee:

Are you passionate about the excitement and precision of water ski events? Join our Water Ski Events Committee and play an integral role in organizing, promoting, and executing thrilling competitions and community gatherings that showcase the skill and athleticism of water skiers across Alberta. Whether you're an experienced competitor, event organizer, or enthusiastic supporter of water sports, your dedication can help create memorable experiences and elevate the water skiing community.

Why Join?

- **Event Coordination:** Contribute to the planning and execution of high-energy water ski competitions, exhibitions, and community events that draw participants and spectators alike.
- **Community Engagement:** Foster camaraderie and excitement among water skiing enthusiasts, athletes, sponsors, and spectators through engaging and inclusive events.
- **Promotion of the Sport:** Raise awareness about water skiing as a dynamic and accessible water sport, inspiring participation and enthusiasm among new and seasoned skiers.

Roles and Responsibilities:

- **Event Planning:** Collaborate with local clubs, venues, and sponsors to secure locations, develop event schedules, and coordinate logistics such as registration, equipment, and safety protocols.
- **Marketing and Promotion:** Develop marketing strategies and promotional campaigns to attract participants, sponsors, and spectators to water ski events, utilizing social media, websites, and local advertising channels.
- **Participant Experience:** Ensure a positive experience for participants through efficient event management, clear communication of rules and guidelines, and provision of amenities and support services.
- **Community Outreach:** Engage with local communities, schools, and organizations to promote upcoming events, offer educational opportunities, and foster interest in water skiing as a recreational and competitive sport.

Commitment:

- **Meetings and Coordination:** Attend regular committee meetings to discuss event planning, review progress, and address challenges to ensure successful execution of water ski events throughout the season.
- **Event Support:** Volunteer your time and expertise during events to assist with setup, operations, judging, and participant support, contributing to the smooth and enjoyable conduct of competitions and activities.
- **Feedback and Improvement:** Solicit feedback from participants, volunteers, and stakeholders to evaluate event outcomes, identify areas for improvement, and implement enhancements for future events.
